

Most Worshipful Grand Lodge A.F & A.M. of Virginia
MASONIC LEADERSHIP PROGRAM
CORRESPONDENCE COURSE REGISTRATION FORM

The Committee on Masonic Education proudly presents this program on self-improvement to all Master Masons within the Grand Jurisdiction of Virginia. This program has been developed to assist the individual Mason as well as the Blue Lodge.

The Committee is responsible for fostering Masonic Education. A well-rounded Mason will use this program as but one method of improving himself. Taken together with the Grand Lodge Leadership Conferences, Training for the Subordinate Lodge Officer, educational offerings at the Reid James Simmons Academy of Masonic Leadership, "Area Mini-Conferences", the educational opportunities afforded by your District Educational Officer and your Lodge Educational Officer, and other programs and publications offered by the Committee, it is hoped that we may enlighten good Brethren so that they may excel as tomorrows leaders of this gentle Craft.

Participation in the program will assist you in many areas, such as the Ritual, Ceremonies, Methodical Digest, and other related areas of Freemasonry. It will aid you in having a more positive concept of what this Fraternity is; its organization, administration, laws, and the ideals for which it strives.

A fee of **\$10.00 per course** is required to participate. Make check payable to "GRAND LODGE OF VIRGINIA." This fee covers the postage, materials, and printing costs. Upon receipt of your registration form and payment, the course(s) will be mailed to you. Specific instructions are included with each course. It is necessary to have a Presentation Volume and a Methodical Digest to assist you in your answers to Courses I, II and III. Additionally you will need the Planning Your Year; DEO Manual and Responsibilities and Guidelines for Officers and Lodge Members Documents for Course IV completion.
